

## Small Cars—and the Declining Cost of Tire Mileage

You are aware, of course, that during the last ten years, Goodyear has been able steadily to increase the amount of mileage built into its tires.

Do you realize, also, that this increase has been accomplished without extra cost to the user—that Goodyear Tires are priced no higher today than in 1910?

In no tire in the Goodyear line is the declining cost of mileage more evident than in the present 30x3, 30x3½ and 31x4-inch size Goodyear Tires made especially for small cars.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires—get the exceptional worth and endurance that Goodyear builds into them.

## A Woman Likes to be Admired No Matter How Old She May Be

Nature undoubtedly made woman to be admired, and man to admire her. Good looks in women do not depend upon age, but upon health. You never see a good-looking woman who is weak, run-down, irritable, out of sorts, fidgety and nervous. Headaches, backaches, dragging-down pains, irregularities and troubles of that sort are all destroyers of beauty. Men do not admire sickness.

Here is what one woman says: "KANSAS CITY, KANS.—'Some time ago I suffered with weakness and woman's trouble. I would suffer such pain and distress that I would have to give up. I was nearly a nervous wreck when I heard of Doctor Favorite Prescription for women. I began taking it and just three bottles completely cured me of all this condition. I have never had any return of these ailments. I can recommend 'Favorite Prescription' to women who suffer."—MRS. OLLIE DEARINGER, No. 2829 May Street.

Dr. Pierce's Favorite Prescription is sold by druggists everywhere (in liquid or tablet form). Send 10c. to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., for trial package of tablets.
